

# Data Breach

## THE SITUATION

**An unauthorised access to the employee database exposes their personal information leading to staff being bullied about their salaries and some even harassed at their homes.**

### Staff Salaries

Report Date: 25 April 2024

Report Time: 10:38 AM

Report Compiled by: [Redacted]

## THE TASK

**Propose a response plan that includes notifying affected parties, securing data, and preventing future breaches. This should include a draft letter to the staff explaining the type of information breached and steps the organisation will take to further secure data.**

## Group Name

### ROLES

### PARTICIPANT NAMES

**Data Protection Officer (Group Lead)**

Oversee compliance with data protection laws, lead data breach response and mitigation efforts.

**On-site Therapist**

Provide support to affected staff, help manage any stress or anxiety resulting from the breach.

**Staff Representative**

Represent the concern of staff and recommend ways to convey what data was compromised.

**Legal Advisor**

Offer advice on regulatory obligations, help navigate legal implications of the breach.

**Information Security Officer**

Investigate how the breach occurred, implement measures to prevent future incidents

**Compliance Auditor**

Recommend improvements to existing security measures.

### THE PLAN
